Head Teacher

Filomena Maria Favicchio

P.T.O.F. 2017-2018

*È difficile fare le cose difficili:
parlare al sordo, mostrare la rosa al cieco.
Bambini, imparate a fare le cose difficili:
dare la mano al cieco, cantare per il sordo,
liberare gli schiavi che si credono liberi.*

GIANNI RODARI

IL P.T.O.F. DEL 2° CIRCOLO DIDATTICO

Offers a framework of learning attentive to the needs of current society, based on the values of awareness, responsibility, respect, comfort and autonomy.

PRIOR FINALIETES

- ✚ To carry out personalised runs;
- ✚ To choose specific methodological strategies and to use formal and informal means suitable to the purpose;
- ✚ To use objective evaluation criteria for parallel classes more accurate in the different disciplinary areas;
- ✚ To implement a curriculum of skills as guidance, characterized by the collaboration with local schools and social capital;

The reasons for this choice are the following:

- ✚ To satisfy the needs of students' education, emphasizing cultural and moral individuality of everyone, respecting the rights and fundamental liberties guaranteed by the Italian Constitution and warded in the school community, through a democratic and respectful cohabitation of the differences.
- ✚ To ensure the quality, effectiveness, efficiency and productivity of the service, to make students have the knowledge, skills and essential abilities in order to obtain personal autonomy.
- ✚ To realize a qualified teaching, fit to offer concrete answers to the demands and the formative needs of the pupils, in continuity with the development and the individuality of everyone and in relationship to the National Indications and the social and cultural contexts of the territory.

The centres of the Circle are opened to the future pupils and their families

Saturday 20 January

2017

*From 9.00
to 12.30*

open day

AMPLIFICATION OF THE FORMATIVE OFFER

The quality of our school passes through a plan, which ensures the quality of the most variegated experiences of learning of the pupils, to which a unitary and organic run is offered from the School of the infancy to the Primary School, coherent with the educational finalities and that finds impulse in the following plans:

SCHOOL OF THE INFANCY

ACCOGLIENZA e INTEGRAZIONE: personalised runs, which are finalized to welcome and to gradually insert pupils and parents in the scholastic environment.

CONTINUITA' "Conoscersi è meglio": activity which involves the five years old pupils of the School of the Infancy (National and Private) and the pupils of the bridge classes of the Primary School.

LE STORIE INFINITE DELL'ARTE: run in continuity to valorise the creative languages and to safeguard the artistic goods.

PLAYING WITH TEDDY BEAR: runs of English language to favour the learning of the first elements of another community language.

A SPASSO NEI QUADRI: Pl. Rodari art project with final demonstration.

LA NATURA RACCONTA: Pl. Sicilian Artistic creative and expressive activity to develop interest toward a natural and healthy environment with final demonstration.

PRIMI ESPERIMENTI: Activity to develop interests in artistic-expressive field with final demonstration.

GLI ORTI DELLA DIETA MEDITERRANEA: run in continuity to promote the initiative and entrepreneurship spirit through the scientific-mathematic education.

FESTA DELL'AUTUNNO: run in continuity with didactic laboratories with teachers, pupils and parents in collaboration.

PRESEPE VIVENTE: run in continuity to experiment new communicative possibilities and report them in the entirety of the languages through the representation of the living manger.

FESTA DI CARNEVALE: activity of song, dance, graphic-pictorial and allegorical parade to live in joy the Carnival.

FESTA DELLA PRIMAVERA: Pl. Sicilian, scientific runs to arouse amazement in front of the "Wonder" of the nature.

GENITORI A... SCUOLA: activity in collaboration between School (Infancy and Primary) and family for laboratories of computer science, English language, music, decoupage, sport.

ATELIER del GIOCO: ludico-creative space for the activities of perception and manipulation.

TRINITY STARS: our Institute is also an accredited centre for the certification Trinity Stars for the 4 / 5 year-old pupils.

To favour the human and cultural growth of the forming subjects visits and trips of education are proposed, as a moment of personal enrichment.
